In the meantime, stop in and say hi to all of our new members!

Iron Man Bicyclist Riders came through Jordan May 1st!

This is the first bicycle event for the year for riders to participate, and Jordan High School was the first rest stop on the 100 mile route (there were alternative shorter routes.) When they say rain or shine, they mean it -

It was about 35 degrees and **WINDY**, there were even flurries!!!! So cold and they kept going!

The first bicycle rider came from Lakeville to the Jordan High School at about 7:45 am – asking what the motivation was to do this throughout the morning some of the answers were...“Bragging rights”, “To get sympathy from my wife”, &“The muffins!” Thank you to the Jordan High School for opening the school up for the rest stop. Iron Man arranged everything, and we helped with the volunteers.

Thank you to all that helped out at the event!

See the pictures below, there are 4,000 participants! There was a steady flow of cyclists from 8:30 – 11:30 am – the pictures below do not even show the magnitude of how they filled our high school.

Iron Man truly puts on an amazing event...
